(Contrariwise, too often the restoration of the faith once for all delivered becomes paralyzed.) It does not claim a full knowledge of the Bible at this time, which to-day is progressive, and into which it is the work of the Holy Spirit to lead and guide God's people, in the close of this dispensation. Therefore its objective is to retain the vision of revealed truth and embrace further revealed truth in due course by obedience to the voice of the Holy Spirit which must take precedence over all organization.
